

## Peppermint Bark

### Ingredients:

16 oz            *Ambrosia bark coating\**, white or chocolate  
24                Hard candy canes

### Preparation:

1. Melt *Ambrosia bark coating*
2. Crush candy canes in a heavy plastic bag.
3. Stir the tiniest pieces into the melted bark coating, reserving the larger candy pieces.
4. Spread coating evenly on cookie sheet.
5. Sprinkle evenly with remaining candy pieces.
6. Let stand about 1 hour or until cool and hardened.
7. Break into pieces and enjoy!
